**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I absolutely oppose the US telecom petition and anything else that would affect small isps. Equal opportunity for business! Let businesses thrive so they can grow. That is basic to our American values. The internet should be open to all in its entirety without a hierarchy . I want the same speed, the same access as any other users
